Schools. il(pt col) plans diags Archit Rec 159:117-32 Je '76

Contents: Universal space solves the cost/time problem. Two schools maximize usage with community involvement. Today's schools demand value-added design and construction. Site, structure and space efficiencies create a design bonus. Loft space helps preserve an urban high school's usefulness. Stretching public school funds produces a new park as well. Prototype design reflects use of cost-effective systems. Vocational schools. il plans diags Archit Rec 159:129-40 Mr '76
